To whom it may concern:

Diamondshine cleaning company – Mr and Mrs E Downing

Mr and Mrs Downing have worked at St John's Catholic Primary School for approximately two years, initially through Devon County Council. One year ago the Governing Body signed a contract with their company, *Diamondshine*, to take over the cleaning and caretaking of the school because of the high standards governors had seen in the maintenance of the school.

During the time Mr and Mrs Downing have worked here, the school has been immaculate. It presents a very different environment to the one they inherited when they first started. They have both worked well beyond the call of duty and they are flexible at all times. Nothing is too much trouble.

One of the many things that I personally appreciate as a headteacher is that they will spot what requires attention and take care of it. It takes away a huge burden knowing that I can completely rely on them at all times. They are incredibly hard-working.

Di and Eric are very much part of our school team. I would unreservedly recommend them to anyone who wishes to ensure that a thorough job is carried out.
